

AMENDMENTS TO THE DRAWINGS

A replacement sheet for Figs. 10A-10C accompanies this amendment. These figures have now been labeled as “Prior Art.”

REMARKS

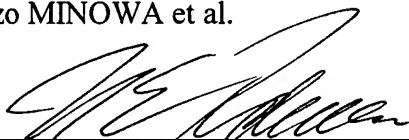

In response to the Office Action of June 29, 2006, Applicants elect species I directed to the first embodiment of Figs. 1A, 1B, 2A and 2B with traverse.

Traverse is based upon the belief that independent claim 1, being generic to all of the embodiments, should be allowable and therefore all claims including in the examination of this application.

The formal matters raised by the Examiner have been addressed by the above amendments and the accompanying replacement sheet of drawings.

Respectfully submitted,

Taizo MINOWA et al.
